Oke e Hako sono due lavabi ideati dal designer Alessandro Paoletti che si contraddistinguono per la loro essenzialità e per il loro design minimale. Due forme diverse per accogliere esigenze diverse, due versioni della stessa storia capaci di stabilire un dialogo con lo spazio che le accoglie.

# OKE E HAKO

Oke and Hako are two washbasins created by designer Alessandro Paoletti, characterised by their essentiality and minimalist design. Two different shapes for two different needs, two versions of the same story that create a dialogue with the space in which they are placed.
